For Your Portable Hot Water Handwashing Sink

SAVE UP TO 70% WATER USAGE WHILE SAVING people from germs and disease. How much water is wasted while soaping your hands? Fortunately the Ozark River® **EZ-Flow Infrared Hands-Free Faucet** is a simple solution that has enormous impact!

Rather than touching the hot and cold water handles and receiving germs you're washing to avoid, simply swipe your hand for instant water. Not only will it save you from additional germs, it will save up to 70% water usage. Get the most from each fresh water tank while getting the most disease-preventing benefit from your portable hand sink.

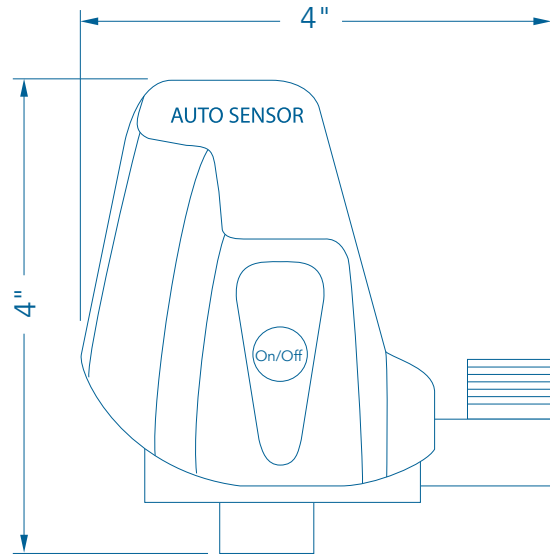

EZ-FLOW FAUCET

EZ-Flow Faucet

THE HANDS-FREE INFRARED PORTABLE FAUCET STOPS THE SPREAD OF GERMS CAUSED FROM SURFACE TOUCHING. It also saves up to 70% water usage. (Requires "AAA" batteries)

Handwashing Compliance

Ozark River is the Standard

NSF® CERTIFICATION

NSF® Certification is a key factor separating Ozark River Portable Sinks® from its competitors. NSF® is the most recognized sanitation standard in many industries. Certification is critical to help ensure Ozark River Portable Sinks® complies with most state and local handwashing codes.

SACERS RATING

SACERS provides an easy to use resource for defining high-quality care and assessing levels of quality in child care programs. Ozark River Portable Sinks directly affect SACERS, increasing the rating.

SACERS Rating: 12 - 3.4 - 5.1 - 5.2

ENERGY AND WATER SAVINGS

Our reliable, instant hot water system uses a minimal amount of energy to heat the water. No preheating of water is required. Sinks also dispense a sensible 1/2 gallon of water per minute (GPM), providing a perfect, economical stream of water for handwashing while conserving precious water resources.

Consult with your state and local environmental health official to confirm usage of portable sinks in place of plumbing.

-  **HOT WATER SYSTEM ON-DEMAND**
Instant, economical Hot Water System heats only when needed.
-  **5 GALLON FRESH WATER TANK**
FDA certified. No cross contamination. Approximately 42 - 15 second Handwashings.
